# Natural Mineral Sunblock SPF 30

Protects collagen against sun-induced damage  
Minimizes premature skin aging and formation of  
dark spots

## **PRODUCT DESCRIPTION**

Technologically advanced formula for the prevention of sun-induced breakdown of the collagen matrix – known as matrix metalloprotease (MMP) - one of the primary causes in the development of lines and wrinkles. This lightweight, transparent, fragrance-free formula minimizes signs of premature aging and the formation of dark spots.

## **PROBLEM**

Long-term exposure to UV-A and UV-B rays contributes to the production of toxic free radicals, which ultimately damage collagen - the leading cause of premature aging and wrinkling of the skin.

## **SOLUTION**

To promote anti-oxidant activity within the skin. Cosmetic Solutions SPF 30 Mineral Sunblock combines specific ingredients that defend against free radical production, prevent collagen breakdown and premature aging of the skin.

Cosmetic Solutions SPF 30 Mineral Sunblock is suitable for all skin types, including sensitive skin. In fact, it's so gentle it can be used to protect the delicate eye area and skin after aesthetic/clinical procedures.

## **KEY BENEFITS**

- Anti-UV-A, UV-B and Infrared
- Anti-MMP (sun-induced collagen damage)
- Paraben-free, Fragrance-free, PABA-free, Non-comedogenic
- Potent antioxidant, anti-pollution and strong anti-inflammatory
- For all skin types, including sensitive or Rosacea-prone skin.

## **Key Ingredients and their function:**

- Titanium Dioxide- provides maximum broad spectrum protection against a of UV-A, UV-B and infrared rays
- Plant-derived Peptides and Organic Green Tea Polyphenols - protect the skin from collagen degrading effects of UV-induced collagenase. This activity can help delay early skin aging characterized by wrinkle formation, reduced elasticity, skin dryness and age spots.
- Beta-Carotene and vitamin A + E- guards skin from UV and pollution-induced free radical damage
- Organic Aloe Vera, Natural Oils and a sugar-based emulsifier - help moisturize and soothe exposed skin without clogging pores

## **Application**

Apply to face, neck, and the area around the eyes evenly before sun exposure, and as needed. Do not rub excessively. Allow 20 seconds to dry before applying other products.

## **Active Ingredients**

10% Titanium Dioxide

## **Other Ingredients**

Certified Organic Aloe Barbadensis Extract, Organic Green Tea (Camellia Sinesis) Extract, Octyl Stearate, Certified Organic Sunflower (Helianthus Annus) Oil, Stearic Acid, Glyceryl Stearate, PEG-40 Castor Oil, Certified Organic Soybean (Glycine Soya) Oil, Iron Oxides, B-Carotene, Silica, Polyglyceryl-3 Oleate (Glycerin/Plant Derived), Phenoxyethanol, White Birch (Betula Alba) Oil, Sodium Benzoate, Xanthan Gum, Allantoin, Dimethicone Copolyol, Tocopheryl Acetate (Vitamin E), Retinyl Palmitate (Vitamin A).
